

Rashidjon Yunusov

Backend Developer

About Me

My name is Rashidjon and I was born in 2002 in the city of Kokand. I'm currently a student at IDU University in Tashkent. I'm a people person and I pride myself on being able to communicate well with others. I always try to be nice and approachable to everyone I meet. In my free time, I enjoy playing football and listening to Rap music. I believe in having a positive attitude towards life and treating others with respect and kindness.

Hobbies

- Listen to music
